No. ECF2 032/2561

August 6th, 2018

Subject Notification for the entering into the Memorandum of Agreement to study the feasibility of S-Trek
(Thailand) Company Limited

Attention President
The Stock Exchange of Thailand

East Coast Furnitech Public Company Limited ("the Company") would like to notify that on August 3, 2018, the Company has signed the Memorandum of Agreement with S-Trek (Thailand) Company Limited ("S-Trek") to study the feasibility of investment in S-Trek's business. S-trek is the IT solution provider and distributor of IT products to many world leading companies. The Memorandum of Agreement will be mutually agreement to proceed the feasibility study of investment in S-Trek's business to be finished within six months. Under such agreement will consent to the company including the consultants and/or the representatives of the Company to conduct the feasibility study of business and S-Trek has to cooperate for the provision of all information or documents as requested.

After the feasibility study has more clarification, the company will report the progress to The Stock Exchange of Thailand for further step.

Please be informed accordingly.

Best Regards,

East Coast Furnitech Public Company Limited
